## Heat Press

Durable and affordable option for adding titles to just about any garment, hat and bag. Choose from several reflective and non-reflective designs and titles. Or, create your own 1-line or 2-line custom titles.

### Reflective Heat Press

500 candlepower of 3M™ reflectivity, designed for all your nighttime duties. Logos and wording can be placed on the front chest and on the back. All titles are offered in silver reflective color only.

- Same glass bead retro-reflective technology used in ANSI-compliant apparel; light reflects back to the source like vehicle headlights
- Designs and lettering are affixed to your apparel with heat for a permanent transfer
- Flexible reflective graphics won't peel or fade away

## Screen Printing

A tough, durable option for customization. Screen Printing of titles or a design is more economical than embroidery and has less limitations than heat press – you can even screen print polyester. It is available on selected polos, casual shirts, t-shirts, bags, rainwear and outerwear. It can handle most any kind of design and the result is very durable and long lasting. ## Heat Sealed Emblems

Enhance your uniforms and apparel with heat-sealed emblems.

### Professional Appearance

Heat-seal machines eliminate puckering, creating a perfect application every time

### Comfortable

Eliminates the irritation caused by backing and excess material around the design, as compared to direct embroidery

### Durable

Same durable polyester thread used in traditional embroidery

### Permanent

Controlled time, temperature and pressure settings permanently adhere your designs

### Intricate Designs

Lasers remove any background for detailed cutouts

Call 574.288.6455 today to find out how you can get started and outfit your entire department in a professional look with Heat-Sealed Emblems.
